Report No P R 14/45-46 dated 21st September 1945 from the Revenue Officer, Bangalore City Municipality

---

Submitted to the Municipal Commissioner

Consequent to the transfer of Mr D Krishnaswamy as Public Conveyance Inspector, the Profession Tax Branch is left with only one Inspector on Rs 60/- and two bill collectors on Rs 15/- each

This Inspector, Mr. K Abdul Aziz, was given instructions to get correct arrears and demand as it stood on 1-7-1945, and submit daily the collections made by him and his two Bill Collectors A book was got opened for the purpose The extract from the same is enclosed for perusal As seen therefrom this Tax Inspector and two Bill Collectors have collected Rs 1,063-0-0 in all, under Profession taxes, for the whole of July and Rs 501/- for the whole of August 1945 He could not give the daily collections He has neither any diary to submit though asked for, nor give any other evidence of his tour even The collection made by him and his Bill Collectors for these two months is negligible and does not justify the amount spent on his pay He is too aged for any brisk movement and too inefficient to be taken as Accountant He has neither fear of any Officer nor love for work He is a drain on the Municipal funds and is absolutely of no use from point of collection

It is learnt that he had tendered an application long back for retirement and perhaps justly too The Office would have been wiser if it had granted his request It is high time that this inefficient hand is retired now, after granting him all the leave at his credit
